Math Humor

DOG MATH

"If I have 3 bones and Mr. Jones takes away 2,
how many fingers will he have left?"

Tip of the Month

Now is a good time to plan ahead for progress monitoring quizzes or benchmarking quizzes next school year. Need help? There is a special [Help Video](#) available.

Don't forget to print out certificates to encourage and reward your students for their hard work. To print certificates:

1. Open the Reports Menu
2. Select Certificates
3. Choose Batch or Individual Certificates

From there you can choose the class, student and type of certificate you would like to print.

Partner School of the Month

The Partner School of the Month for May is also a Gold Medalist and an Exceptional First Year Implementation for 2015. Congratulations to Taylor County Elementary School in Taylor, Florida. As of May 1, 85% of math students scoring lowest on the state test last year, gained one or more grade levels. Mid-year testing showed 86% of fourth grade intervention students grew in their scale scores. And 83% of 5th students had an increase in their scale score. Read more about Taylor County Elementary and all the Gold Medalist schools at http://ascendmath.com/gold_2015.html.

Announcing 2015 Gold Medalist Schools

The 2015 Ascend Math Gold Medalists have been announced. A record 23 schools made the Honor Roll this year. Educators at that 23 Gold Medalist schools demonstrated exceptional progress in helping students succeed in math. Leading the pack with the highest combined score are Howard Middle School, GA, Crosby Middle School, TX, and Glenbrook Middle School, MA. To view all the Gold Medalist Schools [click here](#).
