Earth Day 2019!

Monday, April 22nd is Earth Day! Share your class' earth day activities with us on Twitter or Facebook by tagging [@AscendEducation](#) to **receive a packet of Earth Day pencils made from recycled newspaper for your entire class!**

Visit the [Ascend Math Blog](#) for Earth Day activities and ideas.

Last Call for Gold Medal Nominations

Your students have been working hard in their Ascend Math program. Honor their efforts as well as yours and those of your fellow educators by nominating your class, school, or district for the Ascend Math Gold Medal.

Nominations will be accepted online through April 19, 2019.

Student Spotlight

Laura Potter

Math 6 students at Parkville Middle School work on Ascend Math or on concrete representations of exponential expressions.

Ashley Gilbert

Making great strides with Ascend Math!

[#AscendStudentSpotlight](#)

"Ascend Math offers students a colorful interactive learning experience. Students can track their own progress and love when they have reached the top of the mountain – unit complete!! Base Camp gives them a quick break away, yet keeps them focused on Math. Often it is used as an incentive to keep the class on track. Most importantly, students know that using the Ascend Math program will help them be more successful in Math. Proof is in the Ascend!!"

Upcoming Events

Tip of the Month

Want to see your students' growth in Ascend Math for the 2018-19 school year? Access the Student Progress Summary report to view the current status of each student in your class. This report shows which level each student began working on in Ascend Math and the amount of growth each student has achieved. Select Progress Reports under the Reports tab to view your students' results.

Share Your Success!

Share your students' success with Ascend Math!

Tweet with the hashtag [#AscendStudentSpotlight](#) or tag [@AscendEducation](#) to receive Ascend Math pencils for your entire class!

Product Update

Ascend Math has updated when the Post Assessment for each objective will be unlocked. Students are

now only required to watch the video on the first and every subsequent third attempt of an objective to unlock the Post Assessment.
