#### Student Spotlight

### Math Fun

My teacher told us to make believe she is a stranger if we see her at the mall during school vacation.

### Tip of the Month

School Admins: When preparing for next school year, take advantage of the Download Roster feature in Ascend. You'll find the Download Roster button located on the menu bar in the top right corner along with the Logout and Help buttons.

### Product Update

We have some great updates for you!

You'll find a new Level Recommendation (LR) Report when you

It's wonderful to hear that 8th grade students at Hoosier Virtual Academy gained an average of 2.7 levels in Ascend this year!

## Upcoming Events

[CAMT 2018](#)

July 16 - July 18

[BULLETIN  
BOARDS AND  
MOTIVATION](#)

August 11 @ 8:00  
am - 8:30 am

[View All Events](#)

log in as school administrator or teacher. To access this report, select Student LR Report under the Reports tab.

School administrators and teachers can now easily see students' current coin and experience points on the student dashboard and student's progress page.

To access the Student Dashboard: Go to the "Reports" tab, click on the "Student Reports" link and select the "Student Dashboard".

## Partner School of the Month

Congratulations to Altamont Elementary School, our Partner School of the Month! Altamont students spent more than 1,900 hours working in Ascend and completed a total of 4,973 objectives in the 2017 - 2018 school year! As a result, their students had an average 45.72% gain. 27% of Alamont's students using Ascend improved one or more grade levels since January.

## Announcing the Ascend Math Sherpa

Save the date!

This August become an [Ascend Math Sherpa](#)! Join our new professional learning community for a robust series of back to school planning webinars. Learn best practices from educators using Ascend math in their classrooms.

Ascend Math Sherpa: Skilled Ascend Math teacher dedicated to guiding others with best practices and shared strategies.
