Student Spotlight

We had a wonderful time visiting some of our Maryland Partner Schools while

Halloween Humor

What do you get when you divide the circumference of a jack-o'-lantern by its diameter?

Tip of the Month

Would you like to see the progress your students have made? Do you have questions about reports in Ascend Math? Now that your students have been working for several weeks, it is a great time to **schedule a data review**. Feel free to contact your local representative to schedule a convenient time or let us know by replying to this newsletter.

Partner School of the Month

Congratulations Lakeview Middle School!

Lakeview Middle School (Rossville, Georgia) students have already spent more than 7,000 hours working in Ascend and completed over 7,000 objectives so far this year! As a result, 6% of Lakeview's students using Ascend have improved one or more grade levels.

exhibiting at the MCTM conference!

Fidelity/Integrity Underlies Success

No matter how effective a solution, without fidelity of implementation that solution will not be successful. Fidelity of implementation, sometimes referred to as Intervention Integrity simply means that the intervention is carried out in the way it was designed.
