Student Spotlight

Now more than ever we would love

What's New for 2021-2022

We are excited to announce new features and updates made in Ascend to help make your and your students' experience even better! Significant improvements have been made to rostering and single sign on. Key reports have been updated to provide you with additional data.

[Click here to view all of the new updates in Ascend Math.](#)

Beginning of Year Setup

If you have not completed your Ascend Math Getting Started Guide, [please complete this brief one-minute guide](#) that will assist us in setting up our school in Ascend Math.

Product Updates

The **User Login History** report can now be run for an entire class. Locate this report under the *Reports* tab -> *Activity Reports*. Select a class and a date range then click *Create Report*. The report will download as a PDF.

Tip of the Month

Study guides can be printed for your students on demand from your Live Student Tracker. Click the

to hear about your students' success as you move to remote learning! Tag us in a post on your favorite social media outlet and use [#studentspotlight](#) to receive a set of Ascend Math pencils for your entire class!
