Student Spotlight

Now more than ever we would love to hear about your students' success as you move to remote learning! Tag us in a post on your favorite social media outlet and use #AscendStudentSpotlight to

Holiday Bears

Happy Holidays! To celebrate the holiday season, we've brought back a special game called Holiday Bears! Click [here](#) to play Holiday Bears and share the link with your students!!

Holiday Math Puzzle

Can you solve this math puzzle?

According to the National Christmas Tree Foundation, 25.9 million real Christmas trees were purchased last year. Their survey shows that 76% of the buyers bought pre-cut trees while 24% cut down their own.

How many Christmas trees were cut down by buyers? How many more trees were purchased pre-cut?

Frequently Asked Questions

We received wonderful questions in this year's Customer Survey. Thank you to all that participated! Several of you asked similar questions, so we've put together a document of frequently asked questions to provide you with answers. Click the link below to view the most commonly asked questions.

Model Educators & Model Schools

Congratulations to our newest Model Educators!!

Alana Brown at *Katy High School* in Katy, TX

Tara Handal at *Franz Elementary School* in Katy, TX

Click [here](#) to view the list of Ascend Math Model Educators and Model Schools and learn how you can apply!

semester. We've heard from some districts their students will be challenged to complete 4 objectives each week for the remainder of the semester. Use the Activity Completion Report to track how many objectives students complete each week.

Spread holiday cheer by printing or emailing certificates to encourage and reward your students' success in Ascend Math! Certificates are located within Ascend under the Reports tab or you can visit our [Rewards and Resources](#) page for additional options

Partner School of the Month

Congratulations to Randolph Elementary School in Randolph, AL, our December Partner School of the Month! Over 30% of students at Randolph Elementary have already completed 1 or more levels this school year! Students have shown an average gain of 52% and completed over 2,000 objectives.

"Ascend Math provides standards based differentiated lessons for students in an engaging format. We have had increased math achievement as a result of our Ascend Math implementation."

- *Hollie Tillery* – Principal, Randolph Elementary School

"Ascend Math is very beneficial for students and teachers. This program provides real-time data for teachers for all student groups. This program also provides individualized prescribed lessons to support missing skills of students. In addition, Ascend Math provides lessons to enrich those students who can move forward in their math achievement."

Upcoming Webinars & Trainings

We are excited to offer daily drop-in sessions in addition to our regularly scheduled Training Webinars. Click here to access the link to join a drop-in session and to view the webinar topics. Register for the webinar that best fits your schedule. We look forward to visiting with you online!

6 Things You Need to Know

You can find helpful tips in getting started by viewing the Six Things You Need to Know. Once you are signed into Ascend Math, click on the Administration tab, then select the Six Things You Need to Know link. You will find information grouped by subject. Click a subject bar to find out more.

Tell-A-Friend

Want a cool, new t-shirt? We would love to help the students of your friends or fellow educators! Visit our [website](#) to share their contact information with us and we'll send you an "I Teach Extraordinary Kids" t-shirt as our gift to you.

Holiday Math Puzzle Answer

6,216,000 Christmas trees were cut down by buyers

19,684,000 Christmas trees were purchased pre-cut

There were 13,468,000 more trees purchased pre-cut
