Partner School of the Month

Congratulations to **East Allegheny Junior/Senior High** in North Versailles, PA, our *Partner School of the Month*! During the 2020-2021 school students had an average Post Assessment gain of 49%!

"The touchstone of education in these tumultuous times is Learning Loss and knowing how to address it. Virtually every state and federal program of assistance to schools has included, as foundational piece, the idea of measuring and remediating learning loss in every student. That is a daunting prospect in any school district but for a small urban district such as East Allegheny it is especially difficult. We do not have the staffing or the resources to adequately measure and remediate the learning loss experienced by our students and the cost for

employing consultants or other external expertise is beyond our means. What we needed was a turnkey solution that could assess our students, provide accurate data on their individual needs and then lay out a recovery pathway for that student. Ascend Math does all that and more. For our school district, Ascend Math was the right tool at the right place and at exactly the right time."

- Alan Johnson, Superintendent, East Allegheny SD, PA

Product Update

Significant improvements have been made to rostering and single sign on. Classlink and OneRoster will be available for rostering and SSO in August for the 2021-2022 school year.

The Student Progress Summary Report now includes the total number of objectives completed by each student since the start of your Ascend Math school. The total number includes objectives completed in the Pre and Post Assessments along with any Assigned Objectives.
