### Student Spotlight

Now more than ever we would love to hear about your students' success as you

## Share Your Success and Best Practices!

We have enjoyed hearing from you! It is exciting to hear how students are continuing to soar during this time of distance learning. Click [here](#) to hear from some of our partners on how Ascend Math has aided in their students' success and how they are supporting their students.

We would love to hear your story! Share your best practices on how you are currently using Ascend Math for distance learning to be featured on our website! Submit your brief video (15-30 seconds) to [support@ascendmath.com](mailto:support@ascendmath.com). As our way of saying thanks, we'll send you a cool Ascend Math t-shirt!

## Summer School

Will your students use Ascend Math in summer school? If so, please contact us so we can recommend the best setup based on your preferences.

If your students will not be using Ascend Math for summer school, please complete our brief getting started guide that will assist in a smooth transition into the new school year. Click [here](#) to complete this one-minute guide.

## Partner School of the Month

**Congratulations** to *America's Little Leaders* in Jacksonville, FL, our June Partner School of the Month! In just over 7 months, 22% of students have completed 2 or more levels in Ascend! 60% of students have completed at least 1 level. The students have an average gain of 49% on their pre and post assessments.

"Train up a child in the way he should go and when he is old he

move to remote learning!  
Tag us in a post on your favorite social media outlet and use [#studentspotlight](#) to receive a set of Ascend Math pencils for your entire class!

## Model Educators & Model Schools

View all Model Educators on the [Ascend Math National Hall of Fame Page](#).

will not depart from it: [Proverb 6:22] We truly believe if a child is given the foundation of education there is no height he can not reach!"

Abbie Sanks

## Tip of the Month

Schedule your Fall Training now! Contact your local Ascend Math representative or call (318)865-8232 to review training options.

## Product Updates

### *Student Progress Summary*

Administrators can now run the Student Progress Summary report for the entire school. Select All from the Teacher dropdown menu and click Excel Report. The report will download as an Excel spreadsheet.

### *Parent Letter*

Teachers can now print or email a letter to parents which includes a description of Ascend Math along with the student's username and password. Select Parent Letter under the Reports tab.

## Upcoming Webinars

Uncertain about the upcoming school year schedule? Register for one of our webinars to learn how Ascend can assist with Staggered Scheduling Models. Visit our [Training Center](#) for a complete list of upcoming webinars.

In addition to our drop-in sessions and regularly scheduled CX Webinars, we are offering bi-weekly getting started webinars. Click [here](#) to view the schedule of our getting started webinars and register for the webinar that best fits your schedule.

## 6 Things You Need to Know

You can find helpful tips in getting started by viewing the *Six Things You Need to Know*. Once you are signed into Ascend Math, click on the Administration tab, then select the *Six Things You Need to Know* link. You will find information grouped by subject. Click a subject bar to find out more.

## Share Your Success!

Share your students' success with Ascend Math!

Tweet with the hashtag [#AscendStudentSpotlight](#) and tag [@AscendEducation](#) to receive Ascend Math pencils for your entire class!

## Tell-A-Friend

We would love to help the students of your friends or fellow educators! Visit our [website](#) to share their contact information with us and we'll send you an "I Teach Extraordinary Kids" t-shirt as our gift to you.
