Student Spotlight

Now more than ever we would love to hear about your students' success as you move to remote learning! Tag us in a post on your favorite social media outlet and use [#studentspotlight](#) to receive a set of Ascend Math pencils for your entire class!

Coronavirus Update

UPDATE

Most of our partner schools have entered the world of remote instruction. We are here to support you during this challenging time.

Join us for daily drop-in sessions! These brief webinars are an opportunity for you to ask questions to a member of our support team. Join us M, W & F at 10:15 AM CT or T, Th at 2:15 PM CT. Visit our [webinars page](#) to find links to our Drop-In Sessions.

We have posted a [Virtual Bulletin Board](#) for use in your Online Classrooms. You will also find ways to reward and motivate your students on this web page.

We are helping hundreds of teachers new to Ascend Math who could use your help. Share your best practices on how you are currently using Ascend Math for distance learning to be [featured on our website!](#) Please submit a brief video (15-30 seconds) to support@ascendmath.com. As our way of saying thanks, we'll send you a cool Ascend Math t-shirt!

Are you in need of assistance in planning for staggered schedules next year? If so, we are here to help. Please reply and we will be in touch to consult and share best practices.

Tip of the Month

Encourage and reward your students' success in Ascend Math by emailing them certificates! To create and send certificates:

1. Select Certificates under the Reports tab.
2. Choose Individual Certificates.
3. Create certificates by selecting a class, student, level and type of certificate. Click Create Certificate. The certificate will open in a separate tab.
4. Click the Download icon and save the certificate to your computer.
5. Email the saved certificates to your students to celebrate their achievements!

Visit our [Rewards and Resources](#) webpage to access additional certificates.

Summer School

Will your students use Ascend Math in summer school? If so, please contact us so we can recommend the best setup based on your preferences.

Product Updates

Assigned Objective Report

You can now view actual Post Assessment test questions and answers submitted by your student on the **Assigned Objective Report**. Once the Assigned Objective Report has been created, select the hyperlink number under the Post % column to view the test questions and answers. The actual test will open in a HTML report. Questions with a green check mark were answered correctly, answers with a red x mark were answered incorrectly.

Live Student Tracker

Access your **Live Student Tracker** to view the last attempted Post Assessment questions and answers submitted by each

student. Select the date and time hyperlink in the Last Attempt column to open the test questions and results. The test results will open in a separate tab. Questions with a green check mark were answered correctly, answers with a red x mark were answered incorrectly.

Upcoming Webinars

We are offering daily Getting Started webinars in addition to our drop-in sessions and regularly scheduled Customer Experience webinars. Click [here](#) to view the schedule of our Getting Started webinars and register for one of the webinars that best fits your schedule.

6 Things You Need to Know

You can find helpful tips in getting started by viewing the *Six Things You Need to Know*. Once you are signed into Ascend Math, click on the Administration tab, then select the *Six Things You Need to Know* link. You will find information grouped by subject. Click a subject bar to find out more.

Ascend Math Sherpa

Have you joined the [Ascend Math Sherpas](#)? Our new professional learning community allows you to learn best practices from educators using Ascend Math in their classrooms.
