Student Spotlight

Now more than ever we would love to hear about your students' success as you move to remote learning! Tag us in a post on your favorite social media outlet and use [#AscendStudentSpotlight](#) to receive a set of Ascend Math pencils for your entire class!

Thanksgiving Math

The average American eats 16 pounds of turkey each year. Using the average, how much turkey will be eaten this year by the entire town of Turkey, TX (population 410)?

Tell Us What You Think

The annual Ascend Math customer experience and satisfaction survey will be emailed to you on **November 5, 2020**. Your input on just a few questions goes a long way in helping us improve Ascend Math for you and your students. Your ideas from past surveys have led to improvements and new reports like the Parent Letter. *The 5 best suggestions will receive a \$25 Amazon gift card!*

Tip of the Month

Remind students to log out, not close out. Students should log out of Ascend when they are done to make sure they receive credit for their hard work. They should never close the browser until they have logged out of their Ascend Math account.

In addition to logging out, make sure students pause the video if they need to log out before the video is complete. Pausing the video and logging out will save the progress in the video.

Product Update

We are excited to provide new features to our partner schools using secondary classes. The View Classes page for administrators lists the number of students assigned to each class. This page now includes columns for Primary Students, Secondary Students and Total Number of Students.

Class Rosters now include students assigned to the class as their secondary class. An asterisk will appear next to the student's name if that is their secondary class.

Model Educators & Model Schools

Congratulations to our newest **Model Educator**, **Wendy Pitcock** at *Lowell Middle School* in Lowell, IN.

Click to view our [National Hall of Fame](#) page and learn how you can apply to be a Model Educator or Model School.

English audio is now available in the Screener – LR.

Partner School of the Month

Congratulations to **Prospect Elementary School** in Girard, OH, our November Partner School of the Month! In under two months working in Ascend, one-third of their students have completed one or more levels. Thirteen students have already completed 2 levels!

"As a school district, Ascend Math has engaged and supported our students by providing high-quality mathematics instruction. The adaptive and interactive approach has engaged our students and has helped them grow in their math mindset and abilities." -*Building Principal*

"Both of my children have learned many new math concepts that are beyond their grade levels through Ascend Math, which I feel is very beneficial. My second grader likes a challenge and Ascend Math definitely provides that and keeps him engaged." -*Parent of Kindergarten and 2nd Grade Student*

"It's interactive so I can easily tell if my child is catching on or if she still needs help with it." -*Parent of 1st Grader*

"I have been very pleased with the individualized manner of the program." -*Parent of 2nd Grader*

"I like the flash card math. I miss having a teacher, but I have learned a lot." *2nd Grade Student*

"I like Addy, the little addition guy that teaches the lessons." *Kindergarten Student*

Upcoming Webinars & Trainings

We are excited to offer daily drop-in sessions in addition to our regularly scheduled Training Webinars. Click [here](#) to access the link to join a drop-in session and to view the webinar topics. Register for the webinar that best fits your schedule. We look forward to visiting with you online!

6 Things You Need to Know

You can find helpful tips in getting started by viewing the Six Things You Need to Know. Once you are signed into Ascend Math, click on the Administration tab, then select the Six Things You Need to Know link. You will find information grouped by subject. Click a subject bar to find out more.

Tell-A-Friend

We would love to help the students of your friends or fellow educators! Visit our [website](#) to share their contact information with us and we'll send you an "I Teach

Extraordinary Kids" t-shirt as our gift to you.

Thanksgiving Math Answer

6,650 pounds
