Student Spotlight

Now more than ever we would love

Thanksgiving Math

The average American eats 16 pounds of turkey each year. Using the average, how much turkey will be eaten this year by the entire town of Turkey, TX (population 410)?

We hope you all have a Happy Thanksgiving!!

Tell Us What You Think!

The annual Ascend Math customer experience and satisfaction survey will be emailed on **November 4, 2021**. Your input on just a few questions goes a long way in helping us improve Ascend Math for you and your students.

Your ideas from past surveys have led to improvements and new reports like the Parent Letter and login messages for teachers. Each of the winners' suggestions from last year's survey are now features available in Ascend Math. The 5 best suggestions will receive a \$25 Amazon gift card!

Partner School of the Month

Congratulations to **Buena Vista High School** in Taft, CA, our November *Partner School of the Month*!! In just over 2 months, 53 students have completed 122 objectives in Ascend Math! Students have a 54% increase in the Pre and Post Assessment.

"Thanks to the Ascend Math Program I can assign different math levels to my students in the same classroom where they work independently. Our students have learned so much this school year that some of them have completed over 75% of the Algebra and Geometry levels in just two and half months of school." - *Sigifredo Cruz*
