### Student Spotlight

Now more than ever we would love to hear about your students' success as you move to remote learning! Tag us in a post on your favorite social media outlet and use [#AscendStudentSpotlight](#) to receive a set of Ascend Math pencils for your entire class!

### Halloween Math

What do you get when you divide the circumference of a jack-o-lantern by its diameter?

### Product Updates

Teachers can now message students within Ascend Math. Select *Student Login Messages* under the Reports tab. First, create the message you would like students to see upon their next login. Next, select *Display Student Login Message*. Choose the message from the dropdown menu. You also have the option to choose a start and end date for your message. Once the message has been selected, choose one of your classes to display your message to. You can display the message to all students in the class, a select group, or an individual. Don't forget to click **Save!**

The *Attempts* column on the *Live Student Tracker* can now be hidden. This is helpful for teachers who display their *Live Student Tracker* on a white board for all students to see. Don't forget the *Level* column can also be hidden.

### Partner School of the Month

Congratulations to **Kilgore Middle School** in Kilgore, TX, our October Partner School of the Month! In just under 2 months of working in Ascend Math, 71 students have completed 1 level and 5 students have completed 2 levels! Their students have an average gain of 48% in the Pre and Post Assessments.

"Kilgore Middle School has been privileged to be able to use Ascend for all of the students on our campus this school year! After last year, we were very concerned about growth for all students and Ascend has allowed us to fill gaps for every student and all teachers throughout our campus are facilitating it throughout the school day. Students like the program because it is fun and teachers like it because it targets the skills they need! We look forward to seeing even more growth and progress throughout the year."

- Mrs. Jennifer Gholson, Principal

### Tip of the Month - Schedule Your Data Review

[#AscendStudentSpotlight](#)

## View All Events

To receive notifications follow us on:

## Model Educators & Model Schools

View all Model Educators on the [Ascend Math National Hall of Fame Page](#).

Would you like to see the progress your students have made? Do you have questions about reports in Ascend Math? Now that your students have been working for a few months, it is a great time to schedule a data review. Feel free to contact your local representative to schedule a convenient time or reply and we can schedule a time!

## Upcoming Webinars & Training

We are excited to offer *daily drop-in sessions* in addition to our regularly scheduled Training Webinars. [Click here to access the link](#) to join a drop-in session and to view the webinar topics. Register for the webinar that best fits your schedule. We look forward to visiting with you online!

## Virtual Backgrounds

[Our Rewards and Resources page](#) now has free virtual backgrounds available to save and use during your virtual meetings! Come check them out! Instructions are provided, if needed.

## Share Your Success!

Share your students' success with us! Tweet with the hashtag [#AscendStudentSpotlight](#) and tag [@AscendEducation](#) to receive Ascend Math pencils for your entire class!

## Tell-A-Friend

We would love to help the students of your friends and fellow educators! [Visit our website](#) to share their contact information with us and we'll send you an "I Teach Extraordinary Kids" t-shirt as our gift to you.

## 6 Things You Need to Know

You can find helpful tips in getting started by viewing the Six Things You Need to Know. Once you are signed into Ascend Math, click on the Administration tab, then select the Six Things You Need to Know link. You will find information grouped by subject. Click a subject bar to find out more.

## Halloween Humor Answer
