Student Spotlight

Now more than ever we would love

Math Fun

Only in math problems can you buy 60 cantaloupes and no one asks what the heck is wrong with you!!

Tip of the Month

Make sure your students get credit for their time worked in Ascend Math. Remind students to log out of their account instead of closing their web browser.

Partner School of the Month

Congratulations to Osborne High School in Marietta, GA our September Partner School of the Month!! In just 6 weeks, 2 students have already completed an entire level! Students have had an average gain of 49.7% in the Pre and Post Assessment Tests.

“We have been using Ascend software in our 9th grade math intervention classes for the most at-risk students – those who have scored below basic in math benchmarks and have not passed a math class in middle school. For five years, we have tracked these students progress in 10th – 12th grade math classes and their pass rates now align with their peers. They were able to catch up!!!

- *Shirlyn Mahaffey*, Academic Coach

to hear about your students' success as you move to remote learning! Tag us in a post on your favorite social media outlet and use [#studentspotlight](#) to receive a set of Ascend Math pencils for your entire class!

Product Updates

Creating and managing quizzes in Ascend have recently been updated. The Manage Quiz Objectives now includes the objective code, objective title and the state standard. We hope having all of this information available will make creating quizzes much more user friendly. Quizzes can be found under the Course Management tab.

Virtual Backgrounds

Our [Rewards and Resources](#) page now has free virtual backgrounds available to save and use during your virtual meetings! Come check them out! Instructions are provided, if needed.

Share Your Success!

Share your students' success with us! Tweet with the hashtag [#AscendStudentSpotlight](#) and tag [@AscendEducation](#) to receive Ascend Math pencils for your entire class!

Tell-A-Friend

We would love to help the students of your friends and fellow educators! [Visit our website](#) to share their contact information with us and we'll send you an "I Teach Extraordinary Kids" t-shirt as our gift to you.

6 Things You Need to Know

You can find helpful tips in getting started by viewing the Six Things You Need to Know. Once you are signed into Ascend Math, click on the Administration tab, then select the Six Things You Need to Know link. You will find information grouped by subject. Click a subject bar to find out more.
