### Student Spotlight

Now more than

## Earth Day 2022

Earth Day is Friday, April 22, 2022! Share your classes' earth day activities with us on Twitter or Facebook by tagging @AscendEducation to receive a packet of pencils made from recycled newspaper for your entire class! #InvestInOurPlanet

## Last Call for Gold Medal Nominations

Your students have been working diligently in their Ascend Math program. Honor their efforts as well as yours and those of your fellow educators by nominating your class, school or district for the Ascend Math Gold Medal.

Nominations will be accepted online through April 15, 2022. [Submit your Nomination!](#)

## Summer School

Will your students use [Ascend Math for summer school](#)? If so, contact your local representative or our support team with any questions you may have.

## Partner School of the Month

Congratulations to **Bankbridge Regional School** in Sewell, NJ our April *Partner School of the Month*! Students at Bankbridge Regional School have shown a gain of 58% from the Pre Assessment to the Post Assessment.

"I like using Ascend because I like that I can work at my own

ever we would love to hear about your students' success as you move to remote learning! Tag us in a post on your favorite social media outlet and

use [#AscendStudentSpotlight](#) to receive a set of Ascend Math pencils for your entire class!

pace and there is a video to explain everything to me."  
- *James*

"The videos help me to understand the work. I feel like I am doing good working on Ascend and learning a lot. I really like the base camp too." - *Xavier*

"The Ascend program has really helped our students improve their addition, subtraction, multiplication, and division skills. The students also enjoy the Explore and Base Camp sections of the program as well."  
- *Mr. Fallon, Teacher*

"The Ascend program has really helped to show growth for each of my students. I love that there is a pre-assessment before each unit to determine what the students already know and what they need to learn. The lessons are great and allow the students to work independently. I can provide data which is very important during parent meetings to discuss their individual strengths and weaknesses. Ascend has been great for my students and our school."  
- *Mrs. Morton, Teacher*

## Product Updates

Students can now view their Assigned Objectives on their Student Progress Dashboard. Students can access their Dashboard by selecting the Progress icon on their home page. To view their Assigned Objectives have them select the radio button next to Display Assigned Objectives. Completed objectives will provide the completion date, time on task and the Post Assessment Score. Quiz results will be available on the Student Progress Dashboard next week.

The Total Hours Worked Report and Level Completion Report can now be run using a custom start and end date.

## Tip of the Month

Remind your students after 5 minutes of inactivity, Ascend Math will log them out of their account. After 4 minutes they will receive a notification and can click Continue to stay logged into their account. This feature helps you keep track of the time your students have worked each day.

## Virtual Backgrounds

[Our Rewards and Resources page](#) now has free virtual backgrounds available to save and use during your virtual meetings! Come check them out! Instructions are provided, if needed.

## Tell-A-Friend

We would love to help the students of your friends or fellow educators! [Visit our website](#) and let us know who could benefit from Ascend Math! As a thank you we will send you an “I Teach Extraordinary Kids” t-shirt as a gift.

## 6 Things You Need to Know

You can find helpful tips in getting started by viewing the *Six Things You Need to Know*. Once you are signed into Ascend Math, click on the Administration tab, then select the *Six Things You Need to Know* link. You will find information grouped by subject. Click a subject bar to find out more.
