Gold Medal 2025

Math Fun

[This year's Gold Medal nominations](#) shine with stories of confidence and transformation! Students are not only closing skill gaps—they're discovering a new belief in themselves and their ability to succeed in math. With the support of dedicated educators and the power of Ascend Math, learners are rising to challenges, encouraging their peers, and celebrating every breakthrough. These inspiring journeys remind us that when students gain confidence, anything is possible! **Congratulations to the winners!!**

Why was geometry class taking so long?

(Answer at the bottom of this newsletter)

Partner School of the Month

Congratulations to Varnado High School in Louisiana, as our *Partner School of the Month* for April!

"At Varnado High School, we take great pride in the hard work, dedication, and perseverance of our students. Led by Mr. O'Bryant Jefferson and Co-Teacher Mr. Ray St. Pierre, the Technical Math class has achieved outstanding success, earning the esteemed "Gold Status" on the Ascend Math platform. This accomplishment is a direct result of the students' resilience and commitment to overcoming academic challenges.

Our school motto, "Walking In Excellence as Leaders in our School and in our Community," is embodied by these students, who have shown that with determination, leadership, and support, they can achieve great things. Ascend Math has recognized Varnado High School as the Partner School of the Month, a testament to the collective effort of our students, teachers, and school leadership.

Dr. Latricia B. Warren, our Principal, has been instrumental in promoting an environment where students feel empowered to succeed. The collaboration with Ascend Math has provided invaluable resources, helping our students reach new academic heights.

We are proud of the work!"

- O'Bryant Jefferson, High School Math Teacher

Congratulations to you all!

Tidbit Tuesday

Ascend Math now offers a weekly series of fun, math-related activities related to current events. These activities offer ideas for project based learning to promote student conceptual understanding and engagement. Use these activities for entry tickets, exit tickets, extension activities and more! The posts are also all available [on our website](#). Follow us on [Facebook](#) or [Instagram](#) to see the weekly posts! [#AscendMathTBT](#)

Summer School 2025

Ready to start planning for summer school? [Visit our summer school page](#) to view our Summer School Guide, scheduling ideas, and more!

WHY CHOOSE ASCEND MATH FOR SUMMER?

- Reaches below grade level to each student's lowest skill gaps.
- Guides each through a completely individualized study plan.
- Includes award winning online instruction and interactive activities for every math skill gap.
- Students track their own progress and move at their own pace.
- Students working in Ascend Math at least two hours per day can improve one grade level in just three to four weeks.
- Plus, your Ascend Customer Success team is available during the summer to support you along the way!

Product updates!

One of the requested features in this year's survey was the ability for students to fill out their study guides without using a third-party program. Students are now able to type, write, or draw on their study guides within Ascend Math. They are also able to save the study guide with their notes or print them out! [Check out our Wiki article.](#)

Data Reviews

It's the perfect time to see how your students have progressed! Contact us for a Data Review session.

A great way to monitor student progress anytime is using the Ascend Math Student Progress Summary report.

Tip of the Month

Students' post-assessment test answers can be viewed in multiple ways: via the link on the Live Student Tracker (if the student does not pass on their first attempt) and on the Post Assessment Results report.

[Visit our Wiki for more information.](#)

Model Educator

The Ascend Math Model Educator program recognizes and rewards teacher and their students who work diligently to achieve growth in math. [Visit our website](#) to learn more and view the submission form.

View Model Educators on the Ascend Math [National Hall of Fame](#) Page.

Tell-A-Friend

Know a peer who needs Ascend Math for summer school? [Share this link](#) with them to let them know What Sets Us Apart at Ascend Math!

Plus, [visit our website](#) and let us know who could benefit from Ascend Math! As a thank you we will send you an "I Teach Extraordinary Kids" t-shirt as a gift.

We would love to help the students of your friends or fellow educators!
