[RESOURCES](#)[WEBINARS](#)[TELL-A-FRIEND](#)[CONTACT US](#)**ASCEND MATH PARTNER NEWSLETTER****AUGUST 2025**

25-26 School Year

When your students return, they will continue where they left off in the previous school year. Promoting your students and changing classes is quite simple and may be accomplished by updating your roster sheet.

[Detailed instructions are available here.](#)

In the event you choose to have all your students take a screener, [please complete the form indicating that you](#)

Math Fun

Why was the equal sign so humble?

(Continued at the bottom of this newsletter)

Partner School of the Month

Congratulations to Founders Academy at Beacon Charter, our Partner School of the Month! We have loved seeing your students incredible progress! [Gary Cormier at Beacon Charter](#) is dedicated to helping his students grow and celebrates their success to keep them motivated.

Tidbit Tuesday

Ascend Math offers a weekly series of fun, math-related activities related to current events. These activities offer ideas for project based learning to promote student conceptual understanding and engagement.

Use these activities for entry tickets, exit tickets, extension activities and more! The posts are also all available [on our website](#). Follow us on [Facebook](#) or [Instagram](#) to see the weekly posts! [#AscendMathTBT](#)

Logout Reminder

When students want to stop working in Ascend, they should logout and NOT click the box with the X in the upper right-hand corner.

Remember:

"Logout, don't close out. X does not mark the spot.

Data Reviews

It's the perfect time to see how your students have progressed! Contact us for a Data Review session.

A great way to monitor student progress anytime is using the Ascend Math Student Progress Summary report.

Tip of the Month

Study guides are an important component of every student lesson. Students can type, write, or draw on their study guides within the Ascend Math interface. Then save or print them out. We explain all the ways study guides can be used [in this useful guide](#).

- [Student Progress Summary Video](#)

Product updates!

In addition to accessibility updates, user interface improvements and new study plan options, we have updated over 180 lesson reviews to-date, with more to come. Read about our newest updates in [What's New in Ascend Math](#).

Model Educator

The Ascend Math Model Educator program recognizes and rewards teacher and their students who work diligently to achieve growth in math. [Visit our website](#) to learn more and view the submission form. View Model Educators on the Ascend Math [National Hall of Fame](#) Page.

Tell-A-Friend

Know a peer who needs Ascend Math for summer school? [Share this link](#) with them to let them know What Sets Us Apart at Ascend Math!

Plus, [visit our website](#) and let us know who could benefit from Ascend Math! As a thank you we will send you an “*I Teach Extraordinary Kids*” t-shirt as a gift.

We would love to help the students of your friends or fellow educators!

Need Help?

We have options for answers and support. [Visit the Wiki page](#) for answers 24/7.
