Partner School of the Month

Congratulations to **Charter Oak Elementary-Ute** in Iowa, our *Partner School of the Month* for December! 46% of students have completed at least one grade level and 12% have completed two grade levels. Students have, on average, worked nearly 12 hours in Ascend Math. Thank you, teachers and students, for all your hard work and persistence!

Tidbit Tuesday

Ascend Math now offers a weekly series of fun, math-related activities related to current events. These activities offer ideas for project based learning to promote student conceptual understanding and engagement. Use these activities for entry tickets, exit tickets, extension activities and more! The posts are also all available [on our website](#). Follow us on [Facebook](#) or [Instagram](#) to see the weekly posts! [#AscendMathTBT](#)

Data Reviews

It's the perfect time to see how your students have progressed! Contact us for a Data Review session.

A great way to monitor student progress anytime is using the Ascend Math Student Progress Summary report.

Product updates!

Coming Soon - Assign Quiz by Date

We are updating Assign Quizzes to allow teachers and admins to schedule quizzes to make planning even easier.

To learn more about other enhancements we have made recently, read about [What's New in Ascend Math](#).

Tell-A-Friend

Know a peer who needs Ascend Math for summer school? [Share this link](#) with them to let them know What Sets Us Apart at Ascend Math!

Plus, [visit our website](#) and let us know who could benefit from Ascend Math! As a thank you we will send you an “*I Teach Extraordinary Kids*” t-shirt as a gift.

We would love to help the students of your friends or fellow educators!

Tip of the Month

Tracking student progress with Ascend Math's reports is simple. To see progress by individual student, use the *Student Progress Summary* report under the Progress Reports tab. The *Grade Progress Summary* report allows administrators and teachers to view growth by grade. For district administrators, the *District Summary* report shows student progress by school.

[Visit our Wiki](#) to learn more about our progress monitoring tools.

Model Educator

The Ascend Math Model Educator program recognizes and rewards teacher and their students who work diligently to achieve growth in math. [Visit our website](#) to learn more and view the submission form. View Model Educators on the Ascend Math [National Hall of Fame](#) Page.

Office Hours with Sharonda

Sharonda Jones, will be hosting biweekly [Q&A sessions](#). These sessions are an opportunity for you to get answers on all things Ascend Math, so feel free to ask about anything.
