ASCEND MATH PARTNER NEWSLETTER

JANUARY 2024

We Need Your Feedback!

The annual Ascend Math customer

Math Fun

Why was 6 afraid of 9 on New Year's Eve?

experience and satisfaction survey is now live! You may have seen it in your inbox last week. If you wish to complete it, [please click here](#).

Your input on just a few questions goes a long way in helping us improve Ascend Math for you and your students. Your ideas from past surveys have led to improvements and we look forward to utilizing your valuable feedback in future updates.

Plus, we will be sharing tips and updates in future newsletters based upon your feedback.

Partner School of the Month

**Whitman Middle School
Wauwatosa, WI**

We are proud to recognize Whitman Middle School as our January Partner. School of the Month! Teacher **Julie Harris** is also an *Ascend Math Model Educator* and had this to share with us:

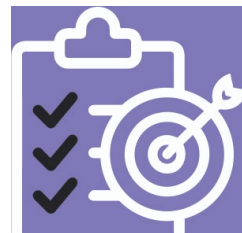

I teach 6th, 7th, and 8th grade Math Lab and Ascend has really helped to improve my students' math skills, as well as boost their confidence. This year I have implemented having my students ring a "yodel bell" when they get a flag and receive a certificate, prize, and their name on the Mountain Wall when they pass a level and it has definitely increased engagement. Some students are even choosing to do extra Ascend at home and then sending me screenshots when they receive a flag so they can ring the bell the next day in class. :)

Thank you and congratulations Whitman Middle School!

Data Reviews

It's the perfect time to see how your

Setting Goals!
