Office Hours with Sharonda

Sharonda Jones, will be hosting biweekly [Q&A sessions](#). These sessions are an opportunity for you to get answers on all things Ascend Math, so feel free to ask about anything.

Math Fun

Why did Pi get its driver's license revoked?

Partner School of the Month

Congratulations to **Homewood Middle School** in Alabama, our *Partner School of the Month*! Students there have shown impressive growth in their first year with Ascend Math. Students worked over 2100 hours, averaging 52 hours per student. Students gains averaged 1.7 grade levels with one student gaining an impressive 3.9 grade levels. This student started at a 3rd grade proficiency and completed the year at 6.9 proficiency! Way to go Homewood!!

Summer 2024

Bring Ascend Math into your summer school program and increase student engagement, conceptual understanding, and growth! All while saving time in planning and day-to-day activities. [Visit our summer school page](#) to view our Summer School Guide, scheduling ideas, and more!

Plus, your Ascend Customer Success team is available during the summer to support you along the way!

Beginning of Year Guide

To assist you in getting ready for summer school and/or the 2024-2025 school year, please review this [quick, 30-second guide](#).

Product updates!

The Ascend Math development team has been busy improving our user interface for an even smoother overall experience. Our most recent update has been to the question read aloud function to improve the quality of the audio. We have also updated over 100 lesson

Tell-A-Friend

Know a peer who needs Ascend Math for summer school? [Share this link](#) with them to let them know What Sets Us Apart at Ascend Math!

Plus, [visit our website](#) and let us know who could benefit from Ascend Math! As a thank you we will send you an “*I Teach Extraordinary Kids*” t-shirt as a gift.

We would love to help the students of your friends or fellow educators!

Tip of the Month

Ascend Math makes it easy to group your students for small group instruction.

Your [Live Student Tracker](#) shows which level, unit, objective name, and objective code each student is working in. It is a great resource for identifying which students need assistance. You can sort by any of these categories to group your students for instruction. Below are a few resources for small group instruction.

- [Our WIKI](#) has great resources and suggestions devoted to small group instruction
- [Watch this video](#) on Group Instruction
- [Download our Compasses](#) for activities and project-based learning

6 Things You Need to Know

You can find helpful tips in getting started by viewing the *Six Things You Need to Know*. Once you are signed into Ascend Math, click on the **Administration** tab, then select the *Six Things You Need to Know* link. You will find information grouped by subject. Click a subject bar to

Need Help?
