## Planning for 25-26 School Year

As this school year wraps up, we want to begin planning for the 2025/2026 school year.

When your students return, Ascend Math will allow your students to continue where they left off this year. Promoting your students and changing classes is quite simple and may be accomplished by updating your roster sheet.

## Math Fun

A clerk at the butcher shop is 6 feet tall and wears size 10 shoes. What does he weigh?

*(Answer at the bottom of this newsletter)*

[Detailed instructions are available here.](#)

In the event you choose to have all your students take a screener, [please complete the form indicating that you want students to start with a screener.](#)

## Partner School of the Month

Congratulations to Center Academy in Palm Harbor, our Partner School of the Month! With over 66% of students growing at least one level and 41% of students completing two levels, you have a lot to be proud of. Thank you for your dedication!

"At first we were a bit skeptical about using a new platform. Throughout the school year, we were astounded to see such steady and amazing progress with our students! We are looking forward to a second year with Ascend to see how high our students will go!" - Stacy Comninel, 7th/8th grade teacher

"Ascend has been an amazing supplement for our math students. Ascend has reinforced basic math skills for struggling students, enhanced prior knowledge, and visually assisted with making math skills more understandable."

- Charisse Lyttle, 9th/10th grade teacher

### Tidbit Tuesday

Ascend Math now offers a weekly series of fun, math-related activities related to current events. These activities offer ideas for project based learning to promote student conceptual understanding and engagement. Use these activities for entry tickets, exit tickets, extension activities and more! The posts are also all available [on our website](#). Follow us on [Facebook](#) or [Instagram](#) to see the weekly posts! [#AscendMathTBT](#)

### Summer School 2025

Bring Ascend Math into your summer school program and increase student engagement, conceptual understanding, and growth! All while saving time in planning and day-to-day activities. [Visit our summer school page](#) to view our Summer School Guide, get scheduling ideas, and more!

Plus, your Ascend Math Customer Success team is available during the summer to support you along the way!

### Tip of the Month

## Data Reviews

It's the perfect time to see how your students have progressed! Contact us for a Data Review session.

A great way to monitor student progress anytime is using the Ascend Math Student Progress Summary report.

- [Student Progress Summary Report](#)
- [Student Progress Summary Video](#)

Ascend Math provides multiple ways to track your students' progress with real-time data. Visit our [progress monitoring page](#) or the [Individual Student Reports Wiki page](#) for more information.

## Product updates!

In addition to accessibility updates, user interface improvements and new study plan options, we have updated over 100 lesson reviews to-date, with more to come.

## Model Educator

The Ascend Math Model Educator program recognizes and rewards teacher and their students who work diligently to achieve growth in math. [Visit our website](#) to learn more and view the submission form.

View Model Educators on the Ascend Math [National Hall of Fame](#) Page.

## Tell-A-Friend

Know a peer who needs Ascend Math for summer school? [Share this link](#) with them to let them know What Sets Us Apart at Ascend Math!

Plus, [visit our website](#) and let us know who could benefit from Ascend Math! As a thank you we will send you an "I Teach Extraordinary Kids" t-shirt as a gift.

We would love to help the students of your friends or fellow educators!
