Partner School of the Month

Austin Area Elementary
Austin, PA

Our March partner school is **Austin Area Elementary**! Austin Area has been an Ascend Math Gold Medal school for the past three years. Norma Koehler is an amazing cheerleader for her students and they have reaped the benefits of her enthusiastic teaching approach. Thank you, Mrs. Koehler!

"Students are now more courageous to participate with their peers in an area where they felt inadequate and defeated to attain the knowledge."

Thank you for your support, Mrs. Koehler! We hope you have an amazing, well-earned retirement!
