Student Spotlight

Now more than ever we would love to hear about your students' success as you move to remote

Thanksgiving Math

The average American eats 16 pounds of turkey each year. Using the average, how much turkey will be eaten this year by the entire town of Turkey, TX (population 410)?

We hope you all have a Happy Thanksgiving!!

Welcome, Eric!

Ascend Education is pleased to welcome **Eric Bauer** as its new *Director of Operations*. Eric is a proven leader in Customer Success in the EdTech industry and will be an invaluable addition to the Ascend Math team. He was Customer Service Support Manager at Reading Plus and most recently was Interim Director of Customer Support at DreamBox Learning during the transition after Dreambox acquired Reading Plus. He has a long track record of fostering a positive team environment, improving efficiencies through technologies, and most importantly enhancing the user experience for administrators and educators.

Tip of the Month

Celebrate your students' success! Print or email certificates to encourage and reward your students working in Ascend Math. Certificates are located within Ascend under the Reports tab or you can visit our [Rewards and Resources](#) page for additional options.

learning! Tag us in a post on your favorite social media outlet and use [#AscendStudentSpotlight](#) to receive a set of Ascend Math pencils for your entire class!

Product Updates

Next week, we are launching new study plans that will support a *Just in Time* framework for accelerating math learning. The new *Just in Time* alignments allow students to move adaptively through any unfinished learning related to topics taught during whole class instruction. Please reply to this email if you would like to learn more.

Upcoming Conferences

We are excited to be at in-person conferences! Ascend Math will have a booth at the the regional NCTM conference in Baltimore, MD on November 30-December 2. If you are in Baltimore, stop by booth #415 to say hello! We will also be attending the Missouri Conference of Teachers of Mathematics in Columbia, MO, December 2-3.

6 Things You Need to Know

You can find helpful tips in getting started by viewing the Six Things You Need to Know. Once you are signed into Ascend Math, click on the Administration tab, then select the Six Things You Need to Know link. You will find information grouped by subject. Click a subject bar to find out more.

Answer to Thanksgiving Math

6,650 pounds
