## Data Reviews

It's the perfect time to see how your students have progressed! [Contact us](#) for a Data Review session.

A great way to monitor student progress anytime is using the Ascend Math *Student Progress Summary* report.

## Partner School of the Month

Congratulations to **Kenley School** in Texas, our *Partner School of the Month* for November! Their hard work and progress are amazing! 36% of students have already completed at least one level and 12% have grown two levels. Thank you for letting us celebrate your students and their accomplishments!

### Tidbit Tuesday

Ascend Math now offers a weekly series of fun, math-related activities related to current events. These activities offer ideas for project based learning to promote student conceptual understanding and engagement. Use these activities for entry tickets, exit tickets, extension activities and more! The posts are also all available [on our website](#). Follow us on [Facebook](#) or [Instagram](#) to see the weekly posts! [#AscendMathTBT](#)

### Upcoming Events

H.E.R.E will be representing Ascend Math at the 2024 Schools of the Future Conference on Nov 14-15 in Honolulu, HI.

Look for other upcoming events on [our events page](#).

### Product updates!

Our development team has been hard at work making updates that help Ascend Math work efficiently across all platforms and devices.

To learn more about other enhancements we have made recently, read about [What's New in Ascend Math](#).

## Tell-A-Friend

Know a peer who needs Ascend Math for summer school? [Share this link](#) with them to let them know What Sets Us Apart at Ascend Math!

Plus, [visit our website](#) and let us know who could benefit from Ascend Math! As a thank you we will send you an "I Teach Extraordinary Kids" t-shirt as a gift.

We would love to help the students of your friends or fellow educators!

## Tip of the Month

Encourage and reward your students' success in Ascend Math by awarding certificates!

To print certificates:

1. Select Certificates under the Reports tab.
2. Choose Individual or Batch Certificates.
3. Create certificates by selecting a class, student, level and type of certificate.
4. Click Create Certificate. The certificate will open in a separate tab and is ready to print.

If you need additional help, click the **Help** button while on the Certificates page. To access additional certificates, visit our [Rewards and Resources webpage](#). For more ideas on motivation and rewards, [view our FAQ](#) or [visit the Wiki](#).

### 6 Things You Need to Know

You can find helpful tips in getting started by viewing the *Six Things You Need to Know*. Once you are signed into Ascend Math, click on the **Administration** tab, then select the *Six Things You Need to Know* link. You will find information grouped by subject. Click a subject bar to find out more.

### Office Hours with Sharonda

Sharonda Jones, will be hosting biweekly [Q&A sessions](#). These sessions are an opportunity for you to get answers on all things Ascend Math, so feel free to ask about anything.
