Welcome Back

Have a great year!

Office Hours with Sharonda

Sharonda Jones, will be hosting biweekly [Q&A sessions](#). These sessions are an opportunity for you to get answers on all things Ascend Math, so feel free to

Math Fun

What tiny organisms are great at math?

(Answer at the bottom of this newsletter)

ask about anything.

Welcome Back!!

Welcome back to all our schools! We would love to connect with you to answer any questions, review your students' progress, and ensure your Ascend Math experience is a great one. [Schedule a session](#) at a time that is convenient for you. Wishing you all a wonderful school year filled with progress, growth, and expanding minds!

Tidbit Tuesday

Ascend Math now offers a weekly series of fun, math-related activities related to current events. These activities offer ideas for project based learning to promote student conceptual understanding and engagement. Use these activities for entry tickets, exit tickets, extension activities and more! The posts are also all available [on our website](#). Follow us on [Facebook](#) or [Instagram](#) to see the weekly posts! [#AscendMathTBT](#)

Upcoming Events

Ascend Math will be attending *NCTM 2024 Annual Meeting and Exposition* in Chicago September 25-28. If you are attending, drop by **booth 1027** to say hello and enter a raffle! Ascend Math teachers will receive a t-shirt!!

Look for other upcoming events on [our events page](#).

Product updates!

Our team has been busy updating lesson videos! We have updated over 160 lesson videos, with more in progress. To learn more about other enhancements we have made recently, read about [What's New in Ascend Math](#).

Tell-A-Friend

Know a peer who needs Ascend Math for summer school? [Share this link](#) with them to let them know What Sets Us Apart at Ascend Math!

Plus, [visit our website](#) and let us know who could benefit from Ascend Math! As a thank you we will send you an "I Teach Extraordinary Kids" t-shirt as a gift.

We would love to help the students of your friends or fellow educators!

Tip of the Month

The Live Student Tracker is a great way to monitor progress because it provides real-time information for each student in your class. For more information regarding all the ways Live Student Tracker can be used, [visit our Wiki](#).

The [Live Student Tracker's pause feature](#) is an excellent way to see when a student needs a helping hand understanding a lesson. The red hand (below) will appear next to a student's name when a student has attempted a post assessment five times. Click the hand to undo the pause.

6 Things You Need to Know

You can find helpful tips in getting started by viewing the *Six Things You Need to Know*. Once you are signed into Ascend Math, click on the **Administration** tab, then select the *Six Things You Need to Know* link. You will find information grouped by subject.
